Dear BAR CARD HOLDERS,

BAR CARDS are made outta PLANT MATTER the Reserve Notes are made outta
PLANT MATTER and the EXCREMENT from Cows, Chickens and Horses are as well.
The Federal Reserve and Department of the Treasury appear to have grabbed up all the
TOILET PAPER to Print Paper Crap Currency.

I spoke with the Wissers this morning and BECAUSE OF THE CORONAVIRIS 19 and the
Massive Wall Street Collapse and the BANKSTERS FIASCO have triggered UNLIMITED

BANK CREDIT and so called ENDLESS LIQUIDITY The Paper and Ink DEBACLE against the Wissers has created a STAND OFF. **The Wissers do NOT agree with any effort, act measure, or move to SELL THEIR FARM.**

The ENTIRE Federal Judiciary and all the BAR CARD members KNOW that currency is ALL Helicopter, PAPER AND INK, Bills of Credit. The Union National Bank and the USDA with Their PAPER AND INK racketeering has resulted in VAST Market Disruption and GARGANTUAN Bailout and Stimulus CREDIT measures by Fed Chairmen Powell and Treasury Secretary Mnuchin offering UNLIMITED Paper and Ink and Key Stroke credit lines to BANKS LIKE UNION NATIONAL and the USDA.

No The Wissers DO NOT agree to having all They've worked for SEIZED for the Helicopter Paper and Ink PHONY BALONEY MONEY or the PAPER AND INK at stake in these matters.

A Note to all BAR CARD HOLDERS Facts are Stubborn Things

FIAT MONEY, HELICOPTER QUANTITATIVE EASING Phony Money is THE REALITY

ALL Bankruptcy Lawyers are STUCK WITH these FIAT PAPER AND INK FACTS

Therefore Premises Considered, The Seizure and Sale of the Wisser's Farm should be estopped until such time as the **SAME UNLIMITED CREDIT LINES** that have been extended to the Failing Banks and Wall Street Markets and Government Agencies is provided to Them and all the Other Small Family Farms at risk during this UNPRECEDENTED NATIONAL FINANCIAL and SECURITY CRISIS.

Respectfully Submitted

Thank You

Mnuchin Promises "Unlimited Liquidity" From Federal Reserve & US Treasury

It seems Vast Liquidity (unlimited credit) has been extended to the Banks and Wall Street. Amidst this Crisis and Coronavirus Debacle / Pandemic America Must be Self Reliant for it's Farms especially Dairy Farms.

We are calling on the Union National Bank and USDA to provide some of this Unlimited Liquidity Unlimited Helicopter Money Unlimited Credit to allow the Wissers to stay on Their Farm and have Credit to purchase Cows.

The Banks and Wall Street must safeguard Our National Farms and National Security by giving assistance to Farmers in Crisis during this unprecedented National / International Crisis.
